

SUMMER UPDATE

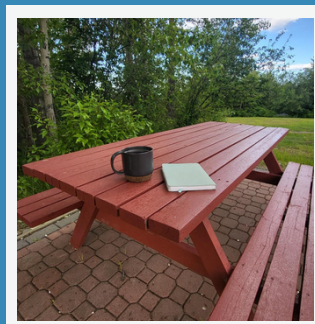

We hope this newsletter brings you encouragement as we continue to see God work here at Fairhaven Retreat Centre.

Minimal smoke, moisture, and for the most, clear skies have marked a welcomed contrast to the past few summers. For the more than 200 guests this summer, Fairhaven continues to be a place to encounter God and make memories.

While maintaining our focus on pastors and missionaries, this past spring we extended the Fairhaven embrace to include lay workers and families who share our faith tradition. Perhaps you know someone who could benefit from the unplugged, health and renewal emphasis and a place to encounter God and make memories in the Okanagan.

“I have a deep gratitude for the beauty, silence and solitude of this place. Thank you so much for the welcome note, the home-made cookies(!) and everything you do to cultivate this place of transformation.”

“Thank you so much for giving our family a place to gather. The quiet and nature were just what we needed. We look forward to coming again soon.”

Expanding our offerings! Furnished Staff Residence is now available for families and groups. Book your stay today.
